LEVELDALE

Investment Sale

To be held at Leveldale Farms
Mason City, Illinois

Monday, November 5, 1962

CALROSSIE DIAMOND

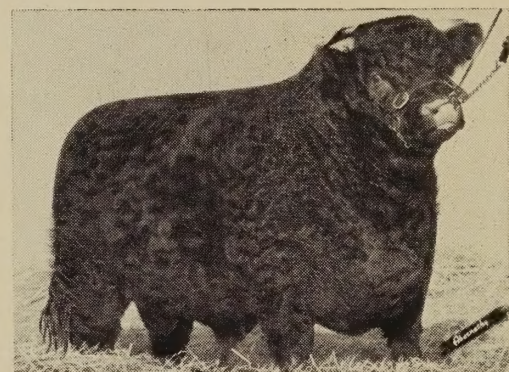

Correct individually . . . impressive as a group. Great heads . . . bone . . . spread . . . depth . . . and just as important . . . these Richards and Diamonds will not sacrifice one iota the good-doing, easy fleshing, rapid gaining qualities you have come to expect from bulls purchased at "Herd Bull Headquarters."

Be on hand to see this tremendous display of calves and yearlings.

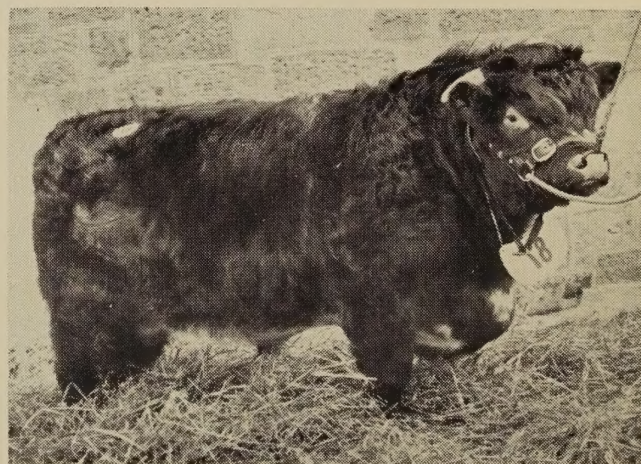

New Blood

Calrossie Diamond is a full brother to Calrossie Diadem, sire of the 1961 and 1962 Perth Supreme champion bulls.

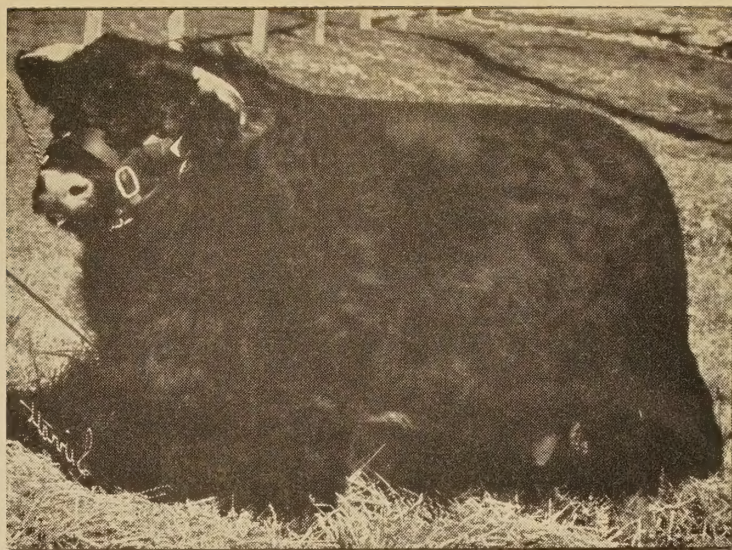

Elmcrest Diadem, Junior Champion, 1962 International. Owned in partnership by Dr. A. H. Weiland, Elmcrest Farm, and J. E. Klokenga. He is by Calrossie Diadem, full brother to Calrossie Diamond.

Left, Leveldale Peerless on pasture this summer. This fall he has already won four major state fair championships. An imported-in-dam son of Calrossie Legend, he is in service now at Leveldale. Above, Basildon Premium, purchased at the 1962 Perth sale by Leveldale and Melbourne for \$9,000.

from Herd Bull Headquarters

LEVELDALE RICHARD

Two great half brothers . . . Calrossie Diamond and Leveldale Richard . . . calved a day apart and an ocean apart . . . are providing a stimulus for the breed that will be felt for years to come.

Typical Diamond calf at Melbourne. They are full partners in the ownership of Calrossie Diamond.

At the Illinois State Fair, 152 head shown, the Diamonds and Richards were brought out for the first time. They showed in classes from summer yearlings on down . . . classes running as high as 24 head. The result:

The grand champion bull was the first son of Leveldale Richard . . . Leveldale Rob Roy, Lot 1 in this sale.

Sons of Richard and Diamond bred at Melbourne and Leveldale placed 1st, 3rd and 4th in the summer yearling bull calf class of 14. All sell.

A son of Diamond . . . Melbourne Austin . . . won the senior bull calf class. He sells.

A son of Diamond . . . Melbourne Casey . . . won the junior bull calf class.

A daughter of Richard was the second prize junior heifer calf.

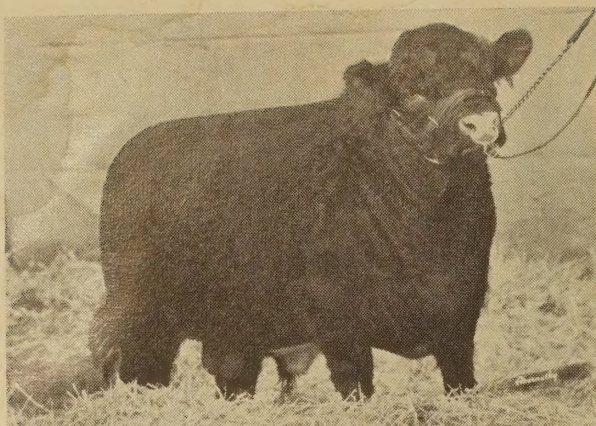

Melbourne's senior get by Calrossie Diamond placed second. (First went to Tucker on the get of Leveldale Pacemaker).

Melbourne's junior get by Calrossie Diamond placed second. Two members of this get sell.

BULLS**

Second prize junior get-of-sire, Illinois State Fair, 1962, for Melbourne. Sire, Calrossie Diamond. Melbourne Laura Blossom 2nd, the heifer on the left and Melbourne Austin, the bull on the right, both sell in this sale.

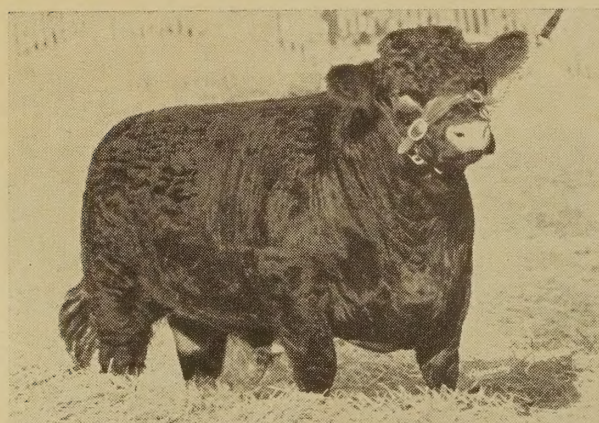

LEVELDALE ROB ROY — The first calf by our champion, Leveldale Richard, and out of the great show heifer Leveldale Rothes Queen 5th. He has been a sensational calf since birth. His style, balance, fine coat, rugged short legs, everything about him spells stock bull. He has been most difficult to keep from pricking of any bull we have raised, from club boys who want to make a steer to big breeders on the search for a sire. Grand champion at the 1962 Illinois State Fair. He will make a fortune for his new owner.

LEVELDALE MAGNATE — A clean-cut "Diamond" out of a great cow, Venetia Rosebud 6th, that has delivered three great bull calves by three different sires. The first by Leveldale Pacemaker sold last fall to Everett Brown at \$1,650 and is developing in a great way; this bull by Diamond, and another red calf this summer by Leveldale Richard, a great prospect. Magnate is extremely smooth, has very good bone, depth of body and lots of character. We may decide to keep an interest in him as he should make a great two-year-old next season. He will undoubtedly make an equally good sire. Reserve grand champion at Kentucky, third at Illinois, second at Ohio.

MELBOURNE AUSTIN — The first prize senior bull calf at the 1962 Illinois State Fair and out of a deep, thick, imported-in-dam cow. The only Augusta Janet we have sold was the dam of the top bull in the Kickapoo sale. Bang's vaccinated.

LEVELDALE RYTHM — A great head, size, length —and strength. He reminds me of his great grand-sire, Calrossie Constellation, when sold as a yearling at Perth. His dam, a very good milker, is also the dam of our Leveldale Richard. Leveldale Roths Queen 6th sold last year at \$1,500 to Jerry Clodfelter who says of her, "She has developed just like I hoped she would." We have a May calf this year also by Diamond which we expect to show next year. This bull could stand alone and be expected to deliver as a sire without his illustrious ancestry.

LEVELDALE FASHION — A "Diamond" in the rough. He arrived when we were blessed with plenty of show prospects and was not given a fitting. His dam, Phopachy Flossy Rosamond, by the great show bull, Calrossie Triumphant, is a very good cow. Her first calf sold to Reford Gardhouse last year at \$2,400. This bull is big, straight, smooth and rugged and should breed well.

LEVELDALE PINACLE — Has a grand head, tremendous quarters and deep, short legs. By Calrossie Diamond and out of Les III's club heifer which was shown successfully last year. This was the best calf in the show herd until he took pneumonia last March which fairly shook him apart. He has recovered quite well and we believe he will be a very useful breeding bull.

MELBOURNE RANDOLPH — A red son of Diamond from the Rosebuds, our best producing cow family. Randolph placed well at the summer shows even though a late summer calf. You will like his thickness and bone. Bang's vaccinated.

KAIR COPYRIGHT — A son of the 1960 Perth champion, Crichton Buzzard, and strongly line-bred on his dam's side. He stood eighth in one of the strongest classes at Perth. This young bull is very heavy-boned, has short straight legs, is wide and smooth. He is recovering rapidly from four months in quarantine and we believe he will prove highly useful. He merits consideration.

His sire is the same as Lawton Winner, top-priced bull at Perth, 1962, now owned by Kickapoo. His grandsire, Cruggleton Raeside, 4500 gns. reserve champion at Perth, sired Pittodrie Monarch, sold by us for \$8,300. Imported bulls of this quality are always scarce and will become more so in the future. If you need scale and assurance, study him carefully. He was third in his class at Perth, 1962.

LEVELDALE REGULATOR — A fine son of International champion Leveldale Critic and out of the very good producing Calrossie Milly Ramsden, dam of Leveldale Ransom which is breeding so well for Penningroth Bros. Also, she has a grand prospect this year . . . a red bull calf by Calrossie Diamond. Regulator has a fine head, is well balanced, stands on good bone, and carries a wonderful coat of silky hair and smooth flesh. We have used him a little. He placed third at Illinois and first at Ohio, 1962.

Welcome

L. E. Mathers

WE ARE PROUD to invite all lovers of Shorthorns to Leveldale on November 5. As we cannot spare enough good females, we have invited John Alexander & Sons, J. E. Klokkenga and Malcolm Tucker & Son, to help us make up an offering that we are sure will please all who come. We are breaking a precedent and asking them to sell their best bulls with ours and feel this will be the largest number of real herd bulls to be offered anywhere . . . certainly the best ever at Leveldale.

We have gone deep into the show herd and also the breeding herd to supply the kind of cattle that will maintain our standard.

We are sure the variety of bloodlines will afford an opportunity for our former customers and new ones to select improving sires and herd building females.

A quick survey of the results received by our former customers will be our best warranty.

We hope November 5 will be a pleasant and profitable day for you at Leveldale where you are always welcome.

The Mathers

P.S. The American Shorthorn Association recommended guarantee applies.

LEVELDALE OPTION — The kind you would have wanted to take an "option" on as a calf. Now you can close the "option" and take home a tremendous stock bull. A good head, great balance, strong straight legs, size, character, burliness, and I do not recall having one with more width throughout. His sire, Uppermill Linden, \$8,500 top of our sale two years ago, has sired a lot of good calves. His dam, Aldie Orange Girl, was also the dam of the \$13,200 Leveldale Oberon. His pedigree is outstanding. I don't see how he can miss as a stock bull. You will have to see him to believe how thick he is.

LEVELDALE BANNOCH — A typical son of Uppermill Linden and out of the good producing Calrossie Broadhooks Zella that produced Leveldale Broadhooks Zenia, \$3,600 top female in our 1960 sale, sold to Tulleevin Farms, and Leveldale Bellman, shown successfully in 1961, and sold to Wm. Velde at \$1,350. Bannoch came out of the cow lot this spring, was weaned off his dam, and has developed extra well. He is smooth, thick and rugged, the kind you expect from a top-price sire.

Les Mathers says

"any good bull that is sold, generally, one calf somewhere along the line will pay the bill."

IN THE 1960 Leveldale sale, Ed and Aldyth Long, Questing Hills Farm, Chandlerville, Ill., bought the top-selling bull that day at \$8,500, Upper-mill Linden. Like many of the bulls we sell, Linden was used here before the sale. Four of the best bulls by one sire that have ever been at Leveldale are the four Uppermill Linden bulls in the 1962 sale. A daughter, Leveldale Augusta Lass 4th, first prize summer yearling at Illinois, is one of the best females in the sale.

Uppermill Linden, imported, purchased in the 1960 Mathers sale by Questing Hills, Chandlerville, Ill., and top-selling horned bull at auction in 1960. Four of his first calves sell in this sale and Questing Hills has an excellent group coming along. Sire, Westdrums Prince Ian. Dam, Glassel Love-ly 5th, Royal Highland Champion.

LEVELDALE JURIST — A long, straight, smooth bull with an even wide back and heavy quarter, on very good bone. Looks like a bull packed with muscle. His sire is the \$8,500 Uppermill Linden, owned by Ed and Aldyth Long, Questing Hills Farm. His dam is a choice rugged cow by the great Calrossie Crocus Count. He's clean-cut and stylish, yet a heavy beef bull, and right now, my second choice of the Linden bulls.

LEVELDALE ASSURER — Another good son of a great breeding cow, Augusta Cassie 5th, and by the \$8,500 Uppermill Linden, now in service at Questing Hills. Augusta Cassie 5th has raised for us Leveldale Capitol, \$7,000 son of Leveldale Basis that did a great job for Dr. Weiland; Leveldale Cameronian, sold at \$3,000 to R. W. Truckenbrod; and Leveldale Custom, sold at \$2,650 to Dorsey Elliot of Kansas. Assurer is straight, smooth and rugged, as are all the Linden get. He has had a bad infection from a nail in his foot but will recover and be O.K. A safe bet for a breeder.

LEVELDALE BARRICADE — A big, growthy calf by Calrossie Diamond and out of one of our best Calrossie cows, the dam of Leveldale Butterfly 13th, \$3,900 top of our last sale, and now the mother of probably the best bull calf by Diamond at John Alexander's. Has a grand head, is straight and smooth. He got a bad start this last spring but is coming along great and should be ready to show his true worth by sale time. He could be a "sleeper" in among so many good bulls in one sale.

LEVELDALE ARDOR — A big, rugged son of "Richard" out of a former winner, Leveldale Augusta 41st, that is a full sister to Leveldale Augusta 44th, Illinois State Fair grand champion, 1962. Leveldale Augusta 41st has a knock-out heifer calf at side this summer. Ardor is very smoothly fleshed, a dark red, with a fine coat and strength of head. He is a good prospect.

LEVELDALE CHARGER — Almost a self made bull. He ran in the stalk field with his dam last winter and refused a nurse cow when we got him in at six months. However, we will not need to apologize for his condition. He is a great doer. By Leveldale Critic and out of a very nice, smooth daughter of Uppermill Alert. He is very smooth and plenty short of leg, rugged, and carries a nice dark roan coat.

LEVELDALE MERCENARY — Very strongly line-bred in Basis blood . . . his dam, grandsire and granddam all by Basis. He is sound, strong and smooth with a good head and great fleshing ability. He ran in the cow lot last winter with his dam and was started late, but is coming along nicely. He is bred to stamp size, smoothness and quality on his get.

LEVELDALE RETURN — A nice head, good lines, well balanced and with plenty of bone. From a very toppy Calrossie cow and by the 1955 International champion, Leveldale Critic. He is a stylish salty fellow . . . possibly could be a little bigger for his age.

Leveldale Basis, above, founded a new dynasty in the Shorthorn breed . . . one that is breeding on from generation to generation. A great champion himself, his sons are siring champions. One of his first and best sons was Leveldale Critic, 1955 International grand champion, still in service at Leveldale. Shown at right is Leveldale Augusta 44th, many times champion, winning the grand championship at the 1962 Illinois State Fair. She is a daughter of Leveldale Critic. Leveldale Basis was owned in partnership with John Alexander & Sons.

A message from Melbourne Farm

This is the first consignment Melbourne has made to the Leveldale Sale. We wanted to wait until we had a strong consignment of the quality we are offering here. We were reluctant to sell females we really wanted to keep, and this is our first departure from the policy as these are females that should not leave Melbourne.

It is fortunate that our first consignment to the Leveldale sale comes at a time when we have the best crop of bulls in the history of the herd. We are offering four sons of Calrossie Diamond, and every one will fit

into the pattern of excellence we know you are expecting.

The Calrossie Diamond bulls selling from Melbourne will not be shown at the International. They will be ready to leave for their new homes after the sale. We are not showing the Diamonds at Chicago because Les Mathers is judging, and while we know he would put them exactly where he saw them we do not want to put him in the position of judging the first calves by a bull we own in partnership with him.

MELBOURNE GOLDEN LISA — The kind we would rather keep but with a sister by Diamond coming on, feel free to offer her. Her dam was our choice in the Kickapoo sale and has developed into a top young cow, raising this heifer without any extra help. Some of the best cattle produced at Kickapoo are by Kickapoo Keynote. Bang's vaccinated. Sells open.

The Klockenga Consignment

"MIKE" KLOKKENGA has traveled the quality route ever since he bought his first cow. Today he has one of the finest moderate sized herds of the breed. One of his early bulls was the \$8,250 International reserve junior champion, Leveldale News Flash, and this good sire was followed by another, Glas-tullich Red Eagle. We were proud to be Mike's partner on both of these bulls.

Now along with Dr. Arthur Weiland of Elmcrest Farms, Paw-nee, Ill., Mike has lucked into one of the best young bulls of the breed, Elmcrest Diadem, imported-in-dam son of Calrossie Diadem (full brother to Calrossie Diamond). Elmcrest Diadem is a half-brother to the last two Perth champions. We were all pleased to see Mike and Doc go all the way to the junior championship last year on Elmcrest Diadem, whose service is a feature of the 1962 Klockenga consignment to the Leveldale sale.

PRAIRIE CREEK PAULINE 4th — A full sister was purchased by Malcolm Tucker in the Leveldale sale last year for \$850. Bred on May 11 to Elmcrest Diadem, International junior champion bull.

Interbreed grand champion steer of the 1962 Illinois State Fair was this trim 11-month-old calf shown by Lu Ann Tucker, Chrisman. L to R: Malcolm Tucker, Ed Hiltabrand, Lassie Queen Kay Chaney, Gov. Otto Kerner, Miss Illinois, and Miss Tucker.

Illinois State Fair . . .
Five daughters sell in this sale.**

WE HEAR a lot about the importance of youth to the future of our breed. We are mighty happy about the many fine young men who have selected Shorthorns, but of all these, no young breeder has made a more profound impact upon the breed than has Malcolm Tucker.

Starting from a solid foundation of outstanding brood cows of good conformation and heritage he has had the good fortune

to have had two outstanding sires in a row . . . Leveldale Caesar and Leveldale Pacemaker. During their show careers these bulls won 36 major championships, but more important their sons and daughters are compiling an even more impressive record.

The heifers the Tuckers are offering in this sale can serve as foundation or replacement for the finest herds.

S & T MISSIE 3rd — A growthy heifer with plenty of weight and scale for her age. Note that she too is by Pacemaker. She is from a cow that has produced wonderfully for us. A full sister to this heifer was the champion female at the 1961 Illinois State Sale and was purchased for \$1,000 by John Alexander. A half sister by Leveldale Caesar is being retained in the herd, otherwise this heifer would not be for sale. Sells open.

General Sale Information

LOCATION — Leveldale Farms, 5 miles west, one mile north of Mason City, Ill., halfway between Peoria and Springfield. Take Hwy. 10 out of Mason City to the town of Tehran, then 1 mile north. Those traveling by rail or air should come to Lincoln or Springfield. We will be glad to meet you in these cities if advance notice is given. Sale will start at 1 p.m. Monday, November 5, 1962. Lunch served by a church organization.

BREEDING DATES — A list showing service dates will be provided sale day. All information from the auction block takes precedence over data in the catalog.

GUARANTEE — All cattle in this sale sold under Standard Guarantee endorsed by the American Shorthorn Assn. A condition of this guarantee is that notices of failure to breed must reach the seller within 6 months of the sale. Shipment will be made as soon as possible after sale, but all stock is at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound condition. The terms of this sale are cash. Settlements to be

made with clerk at the conclusion of the auction.

HEALTH — All cattle sold in this sale will comply with Illinois health regulations, and Illinois health certificates will be provided with each lot sold. Official calthood vaccination for Bang's is practiced in all of the herds consigning. All cattle have either been vaccinated or will have passed a clean Bang's test within 30 days of sale. A 60 day T.B. retest will be allowed. The Mathers herd is Federally and State Accredited for Brucellosis and Federally Accredited for Tuberculosis.

LIABILITY — The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Those working on the sale have been employed by the sellers for specific tasks not connected with the condition of the premises and accept no liability for the contract or accidents that may occur. Where footnotes appear in this catalog they were furnished by the owners. The owners will not be responsible for any accidents, but will make every effort to provide for the safety and comfort of those attending.

Comfortable quarters on sale day
